

Thank You Notes From Kids

“Thank you, KidSmart.
This is my best day ever!”
- Whitney

“Thank you for the school stuff.
My family is going through a
rough time. I am so glad we have
companies that care about kids and
not so much about money. A lot of
kids would not have school supplies
if you did not donate. That was
sweet of you, My family thanks you
very much.”

- Your friend, Katelyn
